

## POSITIONING TO SAVE LIVES

Join the **North Carolina Society of Radiologic Technologists, Inc.** and faculty presenters from **Wake Forest Baptist Health** for an exciting day of continuing education on the campus of Wake Forest Baptist Medical Center.

Each session is strategically designed to engage the radiologic technologist in their important mission of positioning to save lives.

NCSRT events and conferences provide excellent opportunities for **radiologic technologists** to network, learn more about their profession and earn continuing education credit.
