Imaging Professionals for Excellence

"DO YOU KNOW A REGISTERED IMAGING PROFESSIONAL WHO HAS MADE A DIFFERENCE?"

It is time that we recognize Imaging Professionals who have made a significant difference to the imaging profession and in the lives of patients, peers, and the community. The NCSRT, Inc. would like you to nominate those special Imaging Professionals who continually promote our profession.

Any individual, client/patient, or group may nominate an Imaging Professional who is currently working in North Carolina. To nominate an Imaging Professional:

- You may get the current application from the NCSRT, Inc. website (www.ncsrt.org).
- You may either fill it out by hand or print out the application. We strongly **prefer typed applications**. If filling out by hand, please print the information. Sections that are not legible and cannot be read will not be scored, thus resulting with a lower score for the nominee.
- How you present your candidate and the information you provide affects the scoring. So do your best to make your nominee shine.
- Please email completed applications to boardmemberatlarge@ncsrt.org You may also complete the application online at ncsrt.org. If you prefer to mail your application, please send by **certified mail** to the following address:
-

The name and address on the
NCSRT, Inc IPE website

- Applications received or postmarked after the **date posted on the NCSRT, Inc website** will not be accepted.
- Recipients' names will be posted on the NCSRT, Inc. website.
- Awards ceremony will be held at the NCSRT, Inc. annual conference.

Additional information:

- Members involved in the committee are not eligible
- Up to five imaging professionals will be selected each year
- Previous Imaging Professionals for Excellence recipients are not eligible
- A panel of judges will conduct a blind review of applications

Tips for writing a Nomination

- Nominate an Imaging Professional who has excelled in his or her field.
- Complete all sections of the application. Resumes / curriculum vitae's are NOT accepted.
- Complete pages 3 **through** 5 with clear and concise explanations (use examples).
- Each application is scored separately, therefore; it is appropriate to nominate a qualified person even if you think someone else is going to nominate them.
- Send your applications as early as possible.
